

International Conference “Computational and Information Technologies in Science, Engineering and Education” (CITech–2015)

**September 24-27, 2015
Almaty, Kazakhstan**

FIRST ANNOUNCEMENT

Leading scientific and educational organizations:

- Al-Farabi Kazakh National University, Kazakhstan
- Institute of Computational Technologies of SB RAS, Russia
- High Performance Computing Centre in Stuttgart (University of Stuttgart), Germany
- University of Pristina in Kosovska Mitrovica, Serbia
- Abu Dhabi University, UAE
- Novosibirsk National Research State University, Russia
- Novosibirsk State Technical University, Russia
- Siberian State University of Telecommunications and Information Sciences, Russia
- Institute of Information and Computational Technologies, Kazakhstan

will host its **traditional International Scientific and Practical Conference "Computational and Information Technologies in Science, Engineering and Education" (CITech–2015) in September 24-27, 2015.**

The aim of the Conference is to share experience, discuss the problems in the application of computational and informational technologies in various fields of science, techniques and education as well as the expansion of international scientific and technical collaboration by the leading specialists.

Main directions of the Conference:

- Mathematical modeling of technological processes
- High performance computing
- Information management, processing and security
- Technological process automation and control
- New information technologies in education

Conference Venue:

The Conference will take place in one of the most beautiful cities of Central Asia – Almaty, the largest financial, economic, scientific, educational and cultural centre of the Republic of Kazakhstan. There are fundamental universities, research institutions and centers, the Academy of Sciences in Almaty. Almaty is the city of one and a half million people, located in the picturesque foothills of Zaili Alatau. Surrounded by magnificent snow covered mountains, Almaty is captivating in its unique beauty. The Conference will be held in the most favorable time for visiting the place.

The Conference will take place on September 24-27, 2015 in Al-Farabi Kazakh National University. The address: 050040, The Republic of Kazakhstan, Almaty city, avenue Al-Farabi 71, Mechanical and Mathematical Faculty.

Forms of participation in the Conference: oral report, poster presentation and participation without report.

Conference languages: English, Russian, Kazakh.

Participation application:

Online registration and application for the report (theme) are submitted in English only before **March 1, 2015** on the Internet Conference website: <http://conf.nsc.ru/citech-2015>.

Documents Submission:

The Conference abstracts should be submitted in English or Russian, in LaTeX 2 ϵ format, the volume is 1 page, according to the [abstracts template](#) and they will be accepted only through the Conference website <http://conf.nsc.ru/citech-2015> before **March 1, 2015**. The reports should be submitted in LaTeX 2 ϵ format, in English or Russian, the volume should not exceed 15 pages, according to the [full papers template](#) and they will be accepted only through the website <http://conf.nsc.ru/citech-2015> until **April 10, 2015**.

Publications:

By the beginning of the Conference, the book of abstracts will be published and proceedings in the joint issue of "The Bulletin of KazNU", series of "Mathematics, Mechanics, Computer science" and "Computational Technologies" will be issued. Based on the proceedings, English is only selected by the Conference International Expert Council, the book of articles on the direction "Mathematical modeling of technological processes" is planned to publish with Springer in their series «Communications in Computer and Information Science» and then will be indexed with Thomson Reuters agency.

Conference registration fee of 180 EUR should be paid via Bank transfer before **April 10, 2015**. Details on payment of the registration fee is on the Conference website <http://conf.nsc.ru/citech-2015>.

All **additional information** will be posted on the Conference website <http://conf.nsc.ru/citech-2015>.

Important dates:

<i>before March 1, 2015</i>	Registration and submission of abstracts
<i>before March 20, 2015</i>	Notification of report acceptance into the program
<i>before April 10, 2015</i>	Payment of the registration fee
<i>before April 10, 2015</i>	Submission of reports
<i>before July 1, 2015</i>	Notification of report publication in the Conference Proceedings

Organizing Committee Address:

in Almaty:

Al-Farabi Kazakh National University,
Mechanical and Mathematical Faculty,
av. Al-Farabi, 71
Almaty, 050040, Kazakhstan
Phone: +7 (727) 377 3223
Fax: +7 (727) 377 3190
E-mail: lazat-dairbayeva@mail.ru

in Novosibirsk:

**Institute of Computational Technologies of
SB RAS**
av. Academician Lavrentiev, 6
Novosibirsk, 630090, Russia
Phone: +7 (383) 330 8785
Fax: +7 (383) 330 6342
E-mail: esipov@ict.sbras.ru
